

Check-in Logistics:

Pre-registered cyclists should stop by all the stations in the Check-In area. Areas included are:

Check-In

Pre-registered cyclists should report to our “Check-in area” upon their arrival at Bike Virginia 2005. You will receive your Bike VA Information Packet and wristband. Your wristband is your “ticket” to participate in Bike Virginia events and will also show your meal(s) purchased (no more paper tickets). You will need to wear this wristband at all times during the event – it gives you admittance to Rest Stops, Shuttle Buses, and Bike Virginia sponsored events.

Included in the Bike VA Information Packet:

Wristband, Tour Book, Bike VA postcard and other pertinent information.

T-shirt

Cyclists will need to pick up their official Bike Virginia t-shirt. The t-shirt team will have a list of cyclists and their size. If a different size is requested, the cyclist may exchange their t-shirt at the Bike VA Store after noon on Saturday.

Camping Luggage Tags

Colored luggage tags will be used for campers as a way to designate various luggage drop-off and pick up areas. Campers need to pick-up two luggage tags of the same color and two luggage plastic ties. One tag is for your clothing bag and the other for your camping gear. You choose the tag color. The color is not important – just make sure they are both the same color. You will proceed to your color area next to the luggage trucks in Lexington to retrieve your luggage and upon returning to Roanoke. Please put your name on the tags before attaching to your luggage. Camping luggage tags will be on a table in the Check-in area for cyclists to pick up – no list to check off.

NOTE: Plastic bins, coolers, chairs, etc. will not be transported by Bike Virginia. Please return them to your car before leaving Roanoke. All camping gear must fit into a reasonably sized gear bag. If camping gear is put into a plastic bin, it will be taken to Hospitality, and you will need to purchase a duffle bag to store the necessary camping items for the remainder of the event. Remember – only two bags per cyclist who are camping.

Motel Luggage Tag

Cyclists staying in motels will need to purchase the Motel luggage transfer fee. Your luggage (one bag per cyclist staying in a motel) will be picked up from your motel in Roanoke, delivered to your motel in Lexington and returned to Tent City in Roanoke. Motel luggage pick-up and delivery will include only the official Bike Virginia motels listed on our website. Motel Luggage tags may be picked up in the Check-In area. Please follow the directions on the motel luggage tag envelope.

NOTE: We recommend you have another ID on your luggage in case the BVA tag is lost – Campers and Motellers.

License Plates

Cyclists are asked to print their name on the License Plate and sign the medical release on the back. The License Plate will enable passing cyclists to call you by name. You will need to pick up two ties along with the plate in order to attach to your bike. Markers will be on the table for writing on the License Plate along with ink pens for your signature on back.

Passport

Pick up your Bike Virginia Passport and collect all the stamps at designated locations throughout the ride. By Wednesday you'll have a very special memento of your Bike Virginia trip. Passports will be located on a table in the Check-In area.

Bike Smart – Visit the Bike Smart table to get a schedule of activities. Bike Smart volunteers will do safety checks at the first Rest Stop on Saturday and Monday and at the second Rest Stop on Sunday. Don't forget to have your passport stamped each day to receive your prize at Bike Virginia Hospitality! The Bike Smart Virginia table will be located in the Check-In area.
