

Parking is limited at Tent City in South Hill, so we must ask ALL campers to park in the designated Permanent Parking Lot at the South Hill Primary School on Friday (and Saturday if you are a late arrival). Don't worry; we'll get you back to Tent City. All other needs for transportation will be provided by Bike Virginia Shuttle Buses. Please read your Tour Book for a complete Shuttle Bus Schedule. So here's how your logistics will work:

### **Friday:**

We will have two parking locations in South Hill - (1) Tent City at Park View High School and (2) South Hill Primary School. All directions will bring everyone to Tent City on Friday - just follow the BLUE Bike Virginia arrows from Route 58. As you approach Park View High School via Route 58, motels and RVs will enter Tent City on Park View Circle via the school's west entrance and campers and personal SAGs will enter Tent City on Park View Lane via the school's east entrance.

**Campers** enter Tent City on Park View Lane via Park View High School's east entrance, located at the flashing traffic lights. You will be welcomed by Bike Virginia volunteers who will direct you to the Luggage Lot. Upon entering the lot you will be greeted by the Park View High School football team, who will assist you in unloading your luggage/gear and will place your bike in the Bike Coral. *\*Please note that this lot is for unloading only and is the only designated unloading area for campers at Tent City - you must unload your luggage/gear and bike in the Luggage Lot. We ask for your patience throughout this process as our volunteers work to unload your luggage/gear and bike in a safe and efficient manner. In order to guarantee a quick transition, please have your luggage/gear packed and ready to unload upon your arrival.\** Once your car has been unloaded, you will follow the BLUE Bike Virginia arrows to the Permanent Parking Lot located at South Hill Primary School, where our team of parking volunteers will direct you to your permanent parking spot. Your car will be parked here for the remainder of the tour and the lot will be monitored by the South Hill Police Department. After parking your car, board a Bike Virginia shuttle back to Tent City, retrieve your luggage/gear and bike, set up camp, check-in and get ready for a great week of cycling.

**Personal SAGs** follow the directions and BLUE Bike Virginia arrows to Park View High School. You will enter Tent City on Park View Lane via Park View High School's east entrance, located at the flashing traffic lights. You will be welcomed by Bike Virginia volunteers (please let the parking volunteers know you are a personal SAG) who will direct you to the designated Personal SAG parking lots.

**Motelers** will park in the PINK lots provided at Park View High School. Access to these lots can be made via the school's west entrance. On Friday, these lots will serve as temporary parking for motelers; thus providing you the opportunity to register, attend orientation, and check out the Bike Virginia store and Expo.

**All RV's** will park at Park View High School. Designated parking spots will be held for RV's. These spots can be accessed via the school's west entrance. Limited parking spots are available for RV Campers, which include: full/mid-size RVs, camping trailers and 5th wheel trailers. In order to enable Bike Virginia to best serve your needs as a RV camper, we do ask that you contact us prior to your arrival. This will allow us to gauge the number of RVs versus the number of on-site parking spots available so that we may be able prepare a remote location if needed. Use of generators is prohibited after 10:00 pm. Please contact us at [info@bikevirginia.org](mailto:info@bikevirginia.org) with any questions.

### **Saturday:**

**Campers** will already be at Tent City. Your car is already parked for the week. So all you need to do is to wake up and ride. **Saturday Arrivals** will follow the directions and BLUE Bike Virginia arrows to Park View High School. You will be permitted to temporarily park in the designated Luggage Lot. Upon completing Saturday's route, you must move your car to the Permanent Parking Lot located at the South Hill Primary School. Just follow the BLUE Bike Virginia Arrows from Tent City to the South Hill Primary School, park your car and then board the Bike Virginia Shuttle Bus back to Tent City.

**Motelers** will drive their cars (with their bikes) to Tent City and park in one of the designated PINK Lots at Park View High School. When you return on Saturday afternoon, drive back to your motel with your bike and park your car for the evening. There will be Saturday evening Shuttle Bus service between all Bike Virginia Motels and downtown South Hill.

### **Sunday:**

**Campers** will already be at Tent City. Your car is already parked for the week. So all you need to do is wake up and ride.

**Motelers:** will drive their cars (with their bikes) to Tent City where long-term parking will be provided. Simply park your car, mount your bike, and you're off!
